Parents are encouraged to support the Building Donations. It is voluntary and therefore totally tax deductible. The funds are used for the upgrading of facilities. If any parent is in a position to contribute more it would be most appreciated.

All tuition fees will be issued to parents within the three weeks of the school term.

All accounts are to be paid within the seventh week of that term.

Any family who has older children attending Diocesan Schools should advise the school for sibling discount.

Any family experiencing difficulties in this area should contact the Finance Manager, Mr Daniel Tan on 9634 2367, so that an arrangement can be made to suit individual needs and commitments.
