

St Gabriel's School, Castle Hill is an Independent Catholic co-educational school for students with intellectual disability, sensory disability and Autism. Part of the Edmund Rice Education Australia (EREA) network, the School is in a high growth phase to become a K-12 school by 2024 and is looking to appoint passionate and professional educators who wish to be part of a dynamic and supportive community.

***We are seeking applicants for the following position to commence Term 1, 2022.  
Full time permanent position.***

## ***Teacher – Secondary***

### ***Key Responsibilities***

- Responsibility for creating and maintaining effective learning environments which support the learning needs of every student;
- Develop positive professional relationships with their students and colleagues and skilfully develop relevant, structured learning opportunities with clear time frames and deadlines;
- Develop and select effective teaching strategies to suit the students' physical, social and intellectual needs and characteristics, whilst addressing the learning strengths and needs of students;
- Use a range of data including student feedback and assessment collected over time to analyse the progress of students and to review effective teaching and learning strategies;
- Engage parents, caregivers and the community in their children's learning through positive collaboration and active student voice participation.

### ***Essential Skills***

- Demonstrate a commitment to the Catholic and Edmund Rice ethos of the School;
- Accredited at or working towards Proficient Level through NESA;
- An understanding of current educational issues, curriculum requirements and assessment;
- Excellent interpersonal and communication skills;
- Acts professionally and maintains appropriate confidentiality;
- Participation in field trips/excursions and co-curricular activities;
- Commitment to the School's Vision and Mission, and Strategic Goals.

### ***Desirable Skills***

- Experience in teaching English, Science or Mathematics;
- Experience in working with students with a range of disabilities, in either Primary or the Secondary years;
- Qualifications or study in the area of Special Education at Masters level;
- Experience in teaching students with sensory needs such as hearing or vision impairment.
